

# M.O.C.H.A. MATH SUMMIT

Calling all girls in grades 3 - 5!

Come sip hot cocoa and enjoy a day of problem solving and fun. Our aim is to foster positive attitudes towards math in a fun and engaging way that builds confidence and leads to girls taking more advanced level math classes.

**Saturday October 12, 2019**  
**9:00 am – 3:00 pm**

1. Crack ancient codes to warm up your brain.  
—————
2. Figure out if you can afford the lifestyle you want.  
—————
3. Create a vision board of the “future” you.
